

2017 Grace - St. Timothy's Youth Mission July 23 - 28, 2017

DEPARTURE - JULY 23

- 10:45 Worship Service at Grace - Blessing and Commissioning of the Youth
- Lunch on your own
- 1:30 Meet St. Timothy's youth at St. Paul's downtown (305 W. 7th St.) with luggage. We will be taking a church van provided by St. Timothy's and one other minivan. Don't be late!

ACCOMMODATIONS

We'll be staying at a large cabin in Gatlinburg with all the amenities (pool table, shared swimming pool, etc...), and we should have enough bed space for everyone to be comfortable. *Do bring a towel, as linens may be limited.*

WORK DAYS

Monday through Thursday will be work days around town. Those 15 years old and older will have the option to do supervised and instructed work on houses that were damaged, with parental permission. Please let me know if you DO NOT want your child doing this.

The younger ones and others who prefer will be doing projects at sites such as the Red Cross Supply Center, Sevier County Humane Society, Smokey Mountain Food Ministry, etc... All our work will be coordinated through Volunteer East Tennessee.

Throughout the week, we will also be spending some time with parishioners from Trinity and St. Joseph's congregations in Gatlinburg and Sevierville who were affected by the fires.

FRIDAY FUN DAY

Friday will be a fun day at Dollywood. I am asking a suggested donation of \$75 per participant to cover the Dollywood tickets and to defray some of the other expenses. It can either be brought in cash or check made out to Grace Church or contributed online at the link [here](#). All the other meals and so forth will be covered, but the youth may also want to keep a little bit of additional spending money with them for incidentals and/or souvenirs. *If this presents a hardship, no worries - the youth did a fantastic job with our group fundraisers throughout the year, and we have the funds to make sure everyone is covered.*

RETURN

We should be back to Chattanooga at approximately 10pm on Friday, July 28. Pickup at Grace.
